**Tournament Entry:**

The Northwest and Cascade Conference put into effect a reduced field for the 2013 & 2014 Boys and Girls District One Golf Tournament. The field will be reduced to only 70% of the entries from previous years into the district tournament from each conference.

Northwest Conference has 7 schools playing boys golf, Cascade Conference has 4 schools playing boys golf, and the KingCo Conference has 2 schools playing boys golf. In previous years, each school would get 6 golfers for a total of 78 golfers in the field. This year, by reducing that number using the formula of 70% of the entries will result in a total of 54.6 golfers being entered into District One Tournament on day one, rounding that to 55 total golfers.

**For Day One Entry, each conference will determine own criteria for entry into District One Tournament:**

The Northwest Conference will receive 53.8% of the 55 golfers for a total of 30 golfers in 2013 and 29 golfers in 2014.

The Cascade Conference will receive 35.7% of the 55 golfers for a total of 17 golfers in both 2013 and 2014. The KingCo will receive 15.4% of the 55 golfers for a total of 8 golfers in 2013 and 9 golfers in 2014.

**For Day Two Qualifying:**

The field will be cut in half taking the top 50% of the field from day one plus any ties.

Entries need to be returned to Cedarcrest no later than Tuesday May 7th. Please fax or e-mail completed entries to: Jason Frederick- Cedarcrest High School (425) 844-4802 or e-mail

**Team Championship:**

The team champion will be determined on Tuesday, May 14<sup>th</sup>. Determined by the combined scores of two or more players from the same school who play the entire 36 hole tournament. One player does not constitute a team. A trophy will be awarded to the first place team only. In the event of a tie golfers from the tied teams will play a "sudden death" playoff. The Tournament Director will appoint a Tournament Official to accompany the play-off contestants.

**Individual Championships:**

The individual championship will be determined over two (2) days. In the event of a tie for the 1<sup>st</sup> Place Medalist Honors, there will be a playoff. The playoff will be a sudden death and additional holes will be played until the tie is broken. The Tournament Director will appoint a tournament official to accompany the playoff contestants. The tournament Director will determine which holes are to be played in the event a playoff is necessary. If there is a tie for places 2 through 10, a chip off will determine the results. In no event will more than ten (10) individual medals be awarded unless there is a tie for the last position.

**2013 allocations to State: (18 in 2013) (18 in 2014)**

If there is a tie for the last allocation spot, there will be a sudden death playoff immediately following the tournament. The next two golfers in place following the number determined by WIAA allocations will be alternates to the State Tournament.
