Tournament Entry:

The Northwest and Cascade Conference put into effect a reduced field for the 2015 & 2016 Boys and Girls District One Golf Tournament. The field will be reduced to only 70% of the entries from previous years into the district tournament from each conference.

Northwest Conference has 8 schools playing Boys golf, Cascade Conference has 3 schools playing Boys golf, and Shorecrest only one 2A school from WESCO. In previous years, each school would get 6 golfers for a total of 72 golfers in the field. This year, by reducing that number using the formula of 70% of the entries will result in a total of 50.4 golfers being entered into District One Tournament on day one. Rounding that to 51 total golfers. Any one school will only be allowed to submit up to 6 qualifying golfers for entry.

For Day One Entry, each conference will determine own criteria for entry into District One Tournament:

The Northwest Conference will receive 66.6% of the 51 golfers for a total of 34 golfers in golfers in 2016.

The Cascade Conference will receive 25.0% of the 51 golfers for a total of 13 golfers in 2016.

Shorecrest will get 4 golfers in 2016. If Shorecrests 5th and 6th place golfers meets or exceeds the cut score average of all 51 qualifying golfers, they will have an entry into the district tournament. (Note: this is in place for Shorecrest as any one school can qualify up to 6 golfers.)

For Day Two Qualifying:

The field will be cut in half taking the top 50% of the field from day one plus any ties or reduced to the doubled the amount of allocations to state, whichever is greater. In year 2016, the cut will be from 51 to 34 (doubling the allocation 17 to state for the Boys) plus ties.

Allocations to State: (16 in 2015) (17 in 2016)

If there is a tie for the last allocation, there will be a sudden death playoff immediately following the tournament. The next two golfers in place following the numbered determine by WIAA as allocations, those players will be alternates to the State Tournament.

Submitting Entries:

The golf entry form needs to be submitted to Burlington-Edison Athletic Director, no later than May 13th. Please click on this link to submit your entries:

Entry Fees: An entry fee will not be charged directly to the schools. Fees will be handled by NWIAA District One, Jim Piccolo.

Team Championships:

The team champion will be determined on Tuesday, May 19th. Determined by the combined scores of two or more players from the same school who play the entire 36 hole tournament. One player does not constitute a team. A trophy will be awarded to the first place team only. In the event of a tie golfers from the tied teams will play a "sudden death" playoff. The Tournament Director will appoint a Tournament Official to accompany the play-off contestants.

Scoring for Team Championships will follow the same format for determining the team championship for WIAA state tournament. In the case for a 40-entry tournament: 1st place will received 30 team points; 2nd place 25 team points; 3rd place -20 team points; 4th place-18; 5th place-16; then each descending place receives one less point. Ties will be resolved by sharing the points in the places affected. For instance, if there is a three-way tie for second place, each player would receive 1/3 of the points from the combined total of (25+20+18). Next place would be 5th place.

Individual Championship:

The individual championship will be determined over two (2) days. In the event of a tie for the 1st Place Medalist Honors, there will be a play-off. The play-off will be "sudden death" and additional holes will be played until the tie is broken. The Tournament Director will appoint a tournament official to accompany the play-off contestants. The Tournament Director will determine which holes are to be played in the event a play-off is necessary. Pins will be awarded to all players who qualify for the State Tournament.
