Final lane assignments and results will be posted at the coaches' area near the finish line trailer. Lane/Flight assignments will be posted on the WPA website no later than Wednesday, May 20th.

Cell Phones/Walkie Talkies/Video Cameras:

No Cell Phones/Walkie Talkies/Video Camera: NO ATHLETE electronics will be allowed in the competition area (inside Lane #8 around the track and/or on the infield). Only credentialed photographers and coaches will be allowed to photograph or video inside the competition area. The following conditions have been set for athletes to view video during ACTIVE competition.

General Rule Information:

All National Federation Rules will govern the running of the track and field meets except as noted in the 2015 Track and Field "Bound for State" regulations.

Coaches Information

Please check with your specific site regarding a potential coaches meeting, location where coaches questions can be answered, location of coaches packet pick-up and any other information that may not be addressed in this document. Coaches are responsible for seeing that their squad members comply with the warm-up regulations. Coaches will stay in the grandstand or other designated area provided by the meet management. If there is an injury to one of their own team members you may be beckoned onto the field or track. They may also leave to the appropriate appeals area to consult with the Referee/Jury of Appeals if there is a question concerning a ruling in an event.

Qualified Contestant List

School Administrator/or coach are to submit the list of qualified competitors to the District/Regional meet managers. School Administrator/or coach must submit their official relay team at their qualifying meet. When the team qualifies, that official relay card will be forwarded with all the other qualified entrants to the State Meet Manager.

Relays

Only one (1) team per school may compete. The relay team roster submitted at your respective qualifying meet will be your roster for the State meet. No substitutes are allowed. This form must be submitted to your District Meet Manager at the beginning of your District meet. The same six runners will be the only members allowed to compete at the State meet once the form is submitted to your District Meet Manager.

Qualifying Meets

Qualifying meets are to be held no later than the Saturday prior to the State Track Meet. Any expenses incurred by the District meet shall be paid by the District.

Special Regulation - District Entries

A District has the prerogative of including a contestant who did not qualify in the Sub-district meet as one (1) of their allowed allotted District entries provided the Sub-district Board or delegated committee involved gave consent and the participant was on a school's eligibility roster for at least 50% of the regular season.

WIAA Post-Season and Replacing a Qualified Contestant

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

The League/Sub-district and District/Regional meets are qualifying meets to the State Championships and consist of the WIAA Track & Field postseason.

- If a contestant or relay team is disqualified from the League/Sub-district meet (in the prelims or finals) then that contestant or relay team will not advance to the District/Regional meet.
 - If a contestant or relay team is disqualified from the District/Regional meet (in the prelims or finals) then that contestant or relay team will not advance to the State Championship meet.
 - Once Sub-district/League entries to the District/Regional meet are confirmed, a contestant must compete in all those events for which he/she has qualified at the District/Regional meet. Each District is responsible for establishing a confirmation deadline for entries to the District meet (traditionally the seeding meeting).
 - Once a contestant has qualified for an event, participation is required in that event at the District and State Championship meet. If the contestant does not compete in all of the events for which he/she has qualified at the District or State meet, then the contestant will be disqualified from the rest of the meet and shall forfeit all individual and team points earned in any and all events.
 - In case a qualified contestant cannot participate in the next higher meet (Sub-district/League to District/Regional, District to State), the principal of the school of the indisposed contestant is responsible for notifying the appropriate Meet Manager, who, in turn, will notify the principal of the next qualified contestant.
 - In case members of a qualified relay team cannot participate in the next higher meet (Sub district/League to District/Regional, District to State), the principal of the indisposed contestants is responsible for notifying the appropriate Meet Manager, who, in turn, will notify the principal of the next qualified relay team.
- Any relay members who have qualified to participate in individual events will still be allowed to compete in those events assuming that proper notification was given to the Meet Manager.
- If a contestant withdraws from an event because of an injury or illness, the official meet medical staff has the final authority to determine the contestant's ability to participate. In this situation, an alternate participant is not allowed. No substitutions after the official start of the meet will be permitted.

In the event that a contestant who has qualified refuses to compete or does not compete in all of his/her events in which he/she has qualified at the District/Regional and/or State Championships, or in the judgment of the Referee, failed to make a reasonable effort in any track or field event, that contestant shall be disqualified from the rest of meet and shall forfeit all individual and team points earned in any and all events. If there is an injury or illness involved, the official meet doctor has the final authority on return to play. The replaced participant will not be allowed to participate in the year's District/Regional or State Track Meet competition. There are to be no substitutions after the official start of the first event on the first day of the meet.

Seeding Criteria

The official District meet times submitted to the State meet manager for seeding purposes may be electronic or hand held (Hand held times are read in 10th of a second. Example: 10.41 would be submitted to the State Meet Manager as 10.5.)

Seeding Rules:

Lane Running Events

1. If there are no extra qualifiers, there will be 2 heats of 8 athletes. The District winners will be seeded first in the middle lanes, followed by the 2nd place finishers. The 2nd place finisher will always be in a heat opposite the winner from their district. The preferred lane sequence is 4,5,3,6,2,7,1,8 except for the 4 X 200 Relay which is 1 through 8 seeding inside-out.
2. Runners from the same school will be separated when possible. The switch will be made with the same or comparable lanes only.
3. If there is a great imbalance of Districts in a heat an adjustment in lanes will be made.
4. If there are extra qualifiers, 2 heats will be run with the district winners filling the middle lanes, followed by the 2nd place finishers. The remaining athletes will be ranked by their qualifying mark and fill lanes working from the middle out.

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

5. If there are extra qualifiers in the 800 meter run, the extra entries will be placed in the second row and they must remain in their lane until they enter the straightaway at the end of the first turn. Heat and lane assignments are to be drawn by lots for the extra entry. Heats will be balanced as close as possible if there are extra qualifiers.
6. 1600 Meter Run & 3200 Meter Run - The top district winners will have preferred seeding and all other competitors will be seeded by their marks.
7. From the preliminary heats 8 will move on to the finals. If there are 2 preliminary heats the 8 will be the top 3 from each heat and the next 2 fastest times. If there are 3 preliminary heats the 8 will be the top 2 from each heat and the next 2 fastest times.

Distance Events

1. Alleys for 1600 and 3200 should be used.
2. The first alley will use the waterfall start for lanes 1-8
3. A three meter walk up line will be utilized.

Field Events (Long Jump, Triple Jump, Shot Put, Discus Throw and Javelin Throw)

1. For these events the athletes will be seeded in reverse order by the district qualifying mark. There will be 1 flight of 8. If there are additional qualifiers the numbers in each flight will be adjusted keeping the flights as even as possible.
2. The top 9 athletes and any ties after the preliminaries will compete in the finals in reverse order from their preliminary marks.

Field Events (High Jump and Pole Vault)

1. All 16 contestants plus any additional qualifiers will be in one flight in reverse order by their qualifying mark.
2. Contestants with the same mark will compete in the order the computer determines without regard to place in the sub district meet.
3. At each height there will be 5 alive if the number of athletes at the height is more than nine.

Those Not Competing

Coaches and supervisors are not allowed on the infield during competition. Coaches will not be allowed on the track or field during the meet. Important: Coaches and contestants are warned that being out of the stands, running alongside contestants, while shouting instructions and encouragement may lead to disqualification.

Coaches must be outside the fenced area of the track for running events and field events in the stadium and outside the fenced area in the throwing area. Participants and officials only please! Managers and statisticians should remain in the stands.

For the purposes of qualifying athletes to the State meet, "District" may refer to either a single WIAA District or to the WIAA Districts which combined or pooled their allocations. The District (or regional) meet is the final qualifying event held prior to the State Meet.

District / State Meet Rules and Procedures

ALL NFHS Track and Field Rules and state meet regulations will be followed. Any questions concerning meet infractions may be brought to the Meet Management only by the head coach of the team.

District / State Meet Managers

Contestants who have qualified by meeting minimum standards must be notified as to whether they are not competing in the meet, as the State Meet Manager has the authority to limit the number of participants.

Meet Procedures

With the exception of those special rules which may have been adopted by WIAA, the NFHS Track & Field Rule Book will govern the meets in all classifications. Any problems that arise before or during the meet should be brought to the attention of the Referee.

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

State Meet Minimum Standards' Policies

In addition to the allocations, contestants in District meets who meet or exceed a minimum standard (established by averaging the third-place finishers in the last three State meets) may qualify to participate in the State meet. There can be no additional entries for events which are added to the State meet until after the new event has been in the State for a five year period in order to have established a minimum standard.

In the running events, any contestant who equals or exceeds the minimum standards in the finals of a District meet (District meet only), but has failed to qualify as part of the District's normal allocation, may participate in the State meet. In the field events the minimum standard may be made either in the preliminary trials or in the finals trials.

If additional entries qualify by minimum standards, these policies will be followed:

- a. There will be no more than one (1) additional heat in any of the running events.
- b. If there are three heats in the individual running events, the first two finishers of each heat, plus the next two fastest times, will qualify for the finals. If there is a tie, which offsets qualification for the finals, the competitors that tied shall qualify if lanes and positions are available. If they are not available, the competitors that tied shall compete again for the available position.

Participants' Limitations

A contestant must compete in preliminaries and/or Finals of every event in which he/she has qualified at the District / State meet. If a competitor exceeds participation limits the participant will be disqualified from the meet. All individual and team points earned in any event shall be forfeited. In the event that a contestant who has qualified refuses to compete, or in the judgment of the Meet Referee, failed to make a reasonable effort in any track or field event, that contestant shall be disqualified. Should this happen, that individual shall forfeit all individual and team points earned in any event. If there is an injury or illness involved, the official meet doctor has the final authority on return to play. An individual athlete MAY be entered in a maximum of four (4) individual events and may also be listed as a member of any or all relay teams. An individual athlete MAY NOT COMPETE in more than four (4) events (individual and/or relays) TOTAL. Coaches - be reminded that the individual event competition limitation of four (4) events is both an NFHS and WIAA rule. If an athlete is scratched from an individual event, there cannot be any substitution in that individual event for the scratched athlete. An athlete listed on the relay form is not considered to have competed in the relay unless they physically run as a member of the relay team in that meet. FOR THE QUALIFYING MEET RELAY ENTRIES, COACHES SHOULD ALWAYS LIST MORE THAN FOUR RELAY MEMBERS - COACHES ARE PERMITTED TO LIST A MAXIMUM OF SIX.

The definition of a relay team member is as follows: four, five or six members are listed and only those listed are eligible to run. Any four of those listed are eligible for each race starting with the preliminary heat of the District meet and ending with the State finals. The relay counts as an event for those who run.

Scoring

Eight (8) individuals/relay teams will score in each event. Awards will be presented in the individual events directly after the results have been verified. All team awards will take place at the end of the meet.

Appeals Procedures

Appeals must follow the appeal process in the 2015 NFHS Track and Field Rules Book.

Running event protests need to be made to the running-event referee by the head coach. Field event protests need to be made to the field-event referee by the head coach. The protest must be in writing on the designated form and made to the appropriate referee within 30 minutes after the results have been posted.

Subjects that are acceptable for an appeal:

1. Misapplication of a rule.
2. Clerical errors in placing competitors in individual events or relays- provided the appeal is made no later than 30 minutes after the conclusion of the meet.

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

3. Errors in team scoring – provided discovery is made within 48 hours of the completion of the meet.
4. Misapplication or failure to follow a procedure contained in the terms and conditions of competition announced in advance by the meet director. This would include such items as the time schedule, the number of qualifiers to advance, number of trials, etc.

If after the protest to the referee, the head coach still feels the rule has been misapplied or misinterpreted, the head coach can appeal, to the jury of appeals immediately. The Jury of Appeals shall serve as the final board of appeals.

Scratches

In case a qualified contestant cannot participate in the State meet for medical or disciplinary issues, the principal of the school of the indisposed contestant is responsible for notifying Meet Management no later than Tuesday, the week of the event, by 4:00pm. In case members of a qualified relay team cannot participate in the State meet for medical or disciplinary issues, the principal of the indisposed contestants is responsible for notifying Meet Management in the same manner as stated above. Any relay members who have qualified to participate in individual events will still be allowed to compete in those events assuming the proper notification was given to the Meet Manager. If an alternate is inserted into the State meet, we will re-seed up to the time the meet program is sent. After this time, the athlete will be inserted in the position. Once the first scheduled event has begun, no alternates will be used to fill in for scratches.

Records

Only records established in the preliminaries or finals at the district meet shall count as district records. All applications for State or National records must be made in accordance with the NFHS Track and Field Rules Book.

Sportsmanship

Officials will enforce rules related to sportsmanship and unacceptable behavior. Competitors, coaches, and/or team members, who violate the rule or the spirit of the rule, may be disqualified from an event and/or the meet.

Clerk of the Course

Entries must be checked in with the Clerk of the Course prior to an event. All events will be called three (3) times (distinguished by gender and classification) 25 minutes prior to the start of the event by the official announcer and all contestants must report to the Clerk of the Course when called. All contestants must check-in to the clerking area no later than the third call. It is the ultimate responsibility of the athletes to check in with the clerk to find out the progress of the meet.

- If a contestant does not comply with this regulation, he/she will be scratched from the event. The Clerk will be at the designated area of each event to check entries. Any changes that a coach must make may be made at that time with the Clerk of the Course.
- If an athlete is competing in a field event and running event held at the same time, the athlete must check-in with the clerk before the beginning of both events. He/she may then report directly to the starting line where he/she will seek out a Clerk for final check and instruction. The events start will NOT be delayed for any athlete who reports late.

Medical Information

The use of an atomizer during competition containing a prescription drug designed to alleviate the asthmatic condition is not considered to be an illegal aid as long as a physician's statement documenting the need of the athlete to use the prescription is presented to the meet director/referee prior to the beginning of the meet. This documentation shall be turned into the Meet Manager prior to participation.

SPECIAL RULES FOR RUNNING EVENTS

If a competitor is participating in a field event and running event held at the same time, the competitor must check-in with the clerk before the beginning of both events. Competitors may then report directly to the starting line where they

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

will seek out a Clerk for final check-in and instruction. The events start will NOT be delayed for any competitor who reports late.

Competitors will be escorted to the starting line by the clerk, and placed in their proper lanes.

Competitors, at the end of each race, are to stay in their lanes until they are dismissed.

The 800 meter run will be staggered for one (1) turn and the competitors may break for the pole as they enter the straightaway at the end of the first turn. Markers will identify the break line.

The distance races, 1600 and 3200, will use alleys for the first corner (100 m). Alley 1 will use the waterfall start for lanes 1-8 with approximately 2/3 of the contestants. Alley 2 will use a waterfall start for lanes 5-8 on the one turn stagger for approximately 1/3 of the contestants. For the 3200 alley 1 will hold the top 10 contestants with position determined by lot and alley 2 will hold the remaining contestants with position determined by lot. For the 1600 alley 1 will hold the 7-16 qualifiers with positions determined by lot and alley 2 will hold the 1-6 qualifiers with positions determined by lot. A three meter walk up line will be utilized.

The three-turn-stagger will be used for the 800m relay. All competitors in the 800-meter relay must stay in their lanes except the last runner who may cut in after receiving the baton, provided that there is room to cut in.

The three-turn-stagger will be used for the 1600 meter relay. The first competitors must stay in their lanes the entire 400 meters. The second competitors must stay in their lanes until they have completed the first turn or 100 meters. Markers will designate the spot where the competitors may break for the pole.

Relay team members may place up to two marks, approved by meet management, on the track. All markers **MUST BE PLACED** in the competitor's lane. Batons will be furnished and used by all relay teams

SPECIAL RULES FOR FIELD EVENTS

No extra practice will be allowed in unused event areas before or after an event. Competitors who violate may be disqualified from the event or the remainder of the meet.

Field event competition in preliminaries (shot put, discus, javelin, long jump and triple jump) will be held in two flights of eight (8) competitors. The nine (9) best marks and all ties for the last qualifying spot will move into the finals. During the preliminary competition each competitor will have three (3) trials. Competitors will have three (3) more trials in the finals. The competitors will compete in reverse order for the finals.

In all field events competitors have one minute to begin their attempts at a trial or pass. Competitors must announce their intention to pass when called "up." *After one minute an unsuccessful attempt is charged.*

Competitors must check-in with the head judge at the event before the event begins. If competitors check in after the event has begun they will not be allowed to compete.

All field event areas will be open for warm-up approximately 45 minutes prior to the start of the event, under the supervision of the head judge. The warm-ups will end fifteen (15) minutes before the event starts. The head judge will then give instructions to all competitors. Following instructions, the first flight of competitors will be allowed one additional warm-up. Prior to the start of the next flight and finals, competitors will be allowed two additional warm-ups.

If competitors check out for another event, they must check out with the head judge and tell the judge which event they are leaving for. The excuse time established for the meet will be 15 minutes for the discus, javelin and shot put and 10 minutes for the high jump, horizontal jumps and pole vault. Competitors must notify the head event judge when they return. In some cases, successive trials in both the preliminaries and finals may be allowed if competitors identify the need to the head official before an attempt.

When room is available, a competitor who needs to be excused from an event may change flights, per approval of the Field Event Referee. The request must be made *prior to the start of warm-up*. A competitor, who will need to be

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

excused from an event, may request a change in the order, per approval of the head official, for that event if this request is made prior to the start of the flight.

To accommodate the field event competitor to be excused and make the disruption of the competition as insignificant as possible, the excused competitor may report directly to the Starting Line and seek out a Clerk for final instruction for the upcoming running event. The start of the race will not be held for these competitors. This competitor **MUST** check-in with the Clerks in the Clerking area prior to the beginning of the field event for which he/she wishes to be excused.

All ties in the finals in throwing events and horizontal jumps will be broken by the second best trial and so on. If there is a tie for the final qualifying spot to the state meet for the jumping events, a jump-off will take place at the end of the event.

Meet management:

Will designate a specific time and location for all students participating in the pole vault to weigh-in and submit the Pole-Vaulter Weight Verification Form prior to the beginning of the pole vault competition. Only those students that weigh-in prior to the meet and are cleared by the meet management will be allowed to compete.

5. Athletes must check-in with the head judge at the event before the event begins. If athletes check in after the event has begun they will not be allowed to compete.

6. All field event areas will be open for warm-up **45** minutes prior to the start of the event, under the supervision of the head judge. The warm-ups will end fifteen (15) minutes before the event starts. The head judge will then give instructions to all competitors. Following instructions, the first flight of competitors will be allowed two additional warm-ups. Prior to the start of each flight/finals, competitors will be allowed two additional warm-ups.

7. Excused time: Coaches must assume responsibility of ensuring athletes advise event judges of participation in another event, are excused by the judge, and return within the time limit given by the judge. If athletes “check out” for another event, they must notify the head judge and tell the judge which event they are leaving for. The excuse time will be established by the games committee at each site. The athlete must check back in within the established excused time or risk the loss of a trial. The athlete must notify the head event judge when they return. In some cases, successive throws in both the preliminaries and finals may be allowed if the competitor identifies the need to the head official at the time he/she is called “up” for an attempt. Athletes in running events must check-in with the clerk prior to the start of their field event.

When room is available, an athlete that will need to be excused from an event may change flights, per approval of the Field Event referee, for that event if this request is made prior to the start of warm-up. An athlete that will need to be excused from an event may request a change in the order, per approval of the head official, for that event, if this request is made prior to the start of the flight.

To accommodate the field event athlete to be excused and make the disruption of the competition as insignificant as possible, the excused athlete may report directly to the starting line and seek out a Clerk for final instruction for the upcoming running event. The start of the race will not be held for these athletes. This athlete **MUST** clear this with the Clerks in the Clerking area prior to the beginning of the running event for which he/she wishes to be excused.

8. $\frac{3}{4}$ " pyramid spikes are recommended. Pin or needle spikes and spikes longer than $\frac{3}{4}$ " are not allowed. Non-replaceable

Christmas tree spikes (1/4" or shorter) will be allowed. Spike lengths will be checked at the event areas.

- All implements will remain at the venue until competition is completed.

Discus Throw/Shot Put Events

Implements must be inspected at the certification area, one hour prior to competition. For the shot put, the inspection will consist of a visual inspection (specifically looking for possible indentations that may allow for an advantage with the grip), weight and circumference. For the discus, the inspection will consist of a visual inspection (specifically looking for

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

possible indentations that may allow for an advantage with the grip), weight and diameter of the discus and thickness of the center of the discus. The host site will also furnish certified discuses and shots, if needed. Shot puts certified for competition will be placed in a pool and may be thrown by any competitor. Discus certified for competition will not be shared without permission from the school to which it belongs. Implements will be marked, collected and delivered to the event area. Implements that are not certified will be collected and held until after the event. They may be picked up at the completion of the event. All practice throws with discus or shot puts will be taken within the competition area for these events under the direction of the head official. The throwing sector for the discus and shot put will be 34.92 degrees.

The shot put is located near the **North East** side of the stadium. The discus throw is located near the south side of the stadium and will be thrown into grass at **North West Corner** .

Javelin Throw

Implements must be inspected at the certification area, one hour prior to competition. For the javelin, the inspection will consist of a visual inspection, weight, length of the javelin, length of binding, balance check and maximum distance from the point of the javelin to the balance point, taper and condition of the binding. After being certified, all javelins will be sequestered until they are delivered to the competition site prior to competition. Javelins certified for competition will not be shared without permission from the school to which it belongs. Implements that are not certified will be collected and held until after the event. They may be picked up at the completion of the event. All practice throws with javelins will be taken within the competition area for the javelin under the direction of the head javelin official. Two check marks are allowed. These check marks must be removed at the completion of the event. No chalk is to be used.

Please note: All marks must be approved by the javelin official. The javelin will be thrown from Upper field. Implement weigh-in will be open on Thursday, at the following times: Thursday-2:01 P.M. to 4:00 P.M.

JAVELIN COMPETITION SAFETY RECOMMENDATIONS FOR MEETS INVOLVING MEMBER SCHOOLS

1. A javelin event should not be held unless trained personnel are available to conduct the event. Schools are encouraged to develop a plan to train officials
2. All athletes are instructed in javelin safety rules and regulations prior to being allowed to throw or compete. After competition no additional throws are permitted.
3. A field marshal should be used to make sure no athletes or spectators enter the sector or warm-up area.
4. It is recommended that the throwing area be roped off or bright orange cones and warning signs be posted.
5. Athletes waiting to throw are made to wait well behind the throwing area.
6. All thrown javelins are retrieved by an official or coach and handed to the athlete outside the sector. A side should be designated usually the side the wind is blowing away from.
7. The head official stands in the center of the approach and placing an orange cone on the run way thus prohibiting the next competitor from throwing until the sector is clear.

PRACTICE SAFETY PROCEDURES FOR JAVELIN THROWERS

1. It is recommended that all javelins be carried to and from the practice area under the supervision of a coach.
 - a. All javelins are stored in a locked area when not in use.
2. All javelin practice must be supervised by trained school personnel.
3. During actual practice each thrower remains behind the throw line until all javelins have been released. Only when the order "recover javelins" is given are the throwers allowed to retrieve their implements under the direction of a coach or designated teacher. The athletes are directed to retrieve their javelin, walking in a backward fashion, so that they are always in vision of the run way or throwing area.

WEST CENTRAL DISTRICT III OF WASHINGTON INTERSCHOLASTIC ACTIVITIES ASSOCIATION

4. At no time is a student allowed into the throwing area while a teammate still possesses a javelin.
5. It is recommended that javelin practice take place when there are no other athletes either on the track or on the throwing field.
6. These rules are to be reviewed daily by the coach prior to any javelin practice.
7. The javelin throwing area must be well marked and cordoned off by rose or bright orange cones. Athletes are not permitted into the sector until practice has concluded.

High Jump / Pole Vault:

Fifteen (15) minutes before the event starts the head official will call all competitors together to explain the procedures and rules of the event. In the high jump and pole vault, the first five competitors, as determined by the games committee, constitute a flight. As a competitor clears the bar, passes a turn at the height or is eliminated, the next competitor in order will move up so that the number of competitors in the active flight remains constant at five (five-alive competition rule).

The NFHS rule about passing shall apply. If competitors have passed all three consecutive heights for the high jump, they may have one warm-up jump without the cross bar in place. If competitors have passed three consecutive heights in the pole vault, there will be two (2) minutes per competitor entering, to warm-up without the cross bar in place.

Two marks are allowed on the approach apron for the high jump. Please note: All marks must be approved by the high jump official. CHALK IS NOT ALLOWED.

Two marks are allowed outside of the runway for the pole vault. Please note: All marks must be approved by the pole vault official. CHALK IS NOT ALLOWED.

When a competitor returns from competing on the track, the competitor will enter the competition at the height in progress. The bar will not be lowered.

Starting heights will be one interval below the lowest qualifying height. All marks will be at the nearest inch with no $\frac{1}{4}$ or $\frac{1}{2}$ inch marks, until the last competitor remains. In the high jump, the cross bar will be raised in 2" intervals until only half of the competitors remain. Thereafter, the bar will be moved up in 1" intervals, until one competitor remains. In the pole vault, the cross bar will be raised in 6" intervals until only half of the competitors remain. Thereafter, the cross bar will be raised in 3" intervals, until one competitor remains.

Pole vault poles will be inspected and certified at the pole vault venue by the Head Officials. Competitors will also be weighed-in during inspection. Poles must be clearly marked with the proper markings. Any pole that is presented for inspection that is improperly marked or otherwise illegal will be confiscated. The pole may be picked up after the event is complete. Competitors may not use the pole of other individuals without their consent. Any competitor who vaults on a pole that is rated below their allowable weight will be disqualified from the event.

Ties must be broken by a jump off if they occur for first place and/or the last entry to the state meet at the end of the event.

There will be a designated area for coaches near the pole vault. Coaches are reminded that they must stay in the flagged off area during the warm-up and only one coach per school is allowed during competition. Competitors may come over to the coaches' area and talk with their coach. Coaches may not spot for their competitors. Schools who qualify a pole vault competitor will receive a coaches pass that will permit them in the flagged off area. This pass is designated for the pole vault coach during the pole vault event only. Any misuse of this pass may result in the removal from the event and the facility.

Long Jump /Triple Jump:

The triple jump area will be located on the South East pit and the long jump area will be located on the South West pit. Athletes must remain inside the fence and stay on the inside of the track if a turn race is currently being run. Two marks are allowed outside of the runway. Please note: All marks must be approved by the long jump/triple jump official. CHALK IS

Javelin Throw/ Discus Throw / Shot Put:

The shot put and discus is located to the South East of the stadium. The throwing sector for the shot and discus will be 34.92 degrees.

Blocks

Starting blocks will be provided by competitors. Competitors may use their own blocks, subject to verification by one of the Starters at the meet. Meet officials will not be responsible for any blocks other than the ones provided. **IF THE HEAD STARTER DEEMS THE BLOCKS UNUSABLE, the meet provided blocks will be used.** Meet officials will not be responsible for any blocks other than the ones provided by the West Central District.

Spikes

¼" pyramid spikes are recommended. Pin or needle spikes and spikes longer than ¼" are not allowed. Non-replaceable Christmas tree spikes (1/4" or shorter) will be allowed. Spike lengths will be checked at the event areas.

FAT Timing System

Fully automatic timing system will be used for all running events. The timing system operators will not recall races in the event of the FAT system malfunctioning. Hand timers will be utilized instead. See rule 3, Section 8 and consider changing to updated timing systems the various districts use. If a malfunction occurs during a preliminary heat, hand times will be used for all heats to determine advancement and seeding in the finals.

Video Screen and Replays

Per the 2015 NFHS Track and Field rules book, video replay or television monitoring equipment, other than the official finish line equipment approved by the games committee prior to the start of competition, shall not be used to make decisions related to the meet.

General Information 1B:

The Tri District 1B track and field championships will qualify six (6) boys and seven (7) girl's entries from each event to the state meet in 2015. Because this meet is scored and team places are awarded, all eight (8) participants will be scored according to their place of finish. The top six (6) boys and seven (7) girl's entries athletes/relays will qualify for the state with the 7th place boys and the 8th place girls athletes / relay team being the 1st alternate. The 8th place boys and the 9th place girls being the 2nd alternate to the state meet.

Per WIAA rule, if a qualified contestant cannot participate in the state track and field meet the school principal will contact Dwayne Johnson, meet manager of the 1B Tri District Meet, who in turn will notify the next contestant with the next fastest times from the preliminary heats to compete in the state track and field championships.

ATTENTION COACHES AND POLE VAULTERS

WIAA WEIGHT CERTIFICATION FORM

National Federation rules require that all pole vaulters use a properly identified and rated pole.

Specifically **Rule 7-5-3** states:

The competitor's weight shall be at or below the manufacture's pole rating. The manufacturers must include on each pole: the pole rating that shall be a minimum of 3/4 -inch in a contrasting color located within or above the top hand-hold position; a 1-inch circular band indicating that maximum top hand-hold position with the position being determined by the manufacturer.

At WIAA State meets, poles will be checked by meet officials to make sure they are properly marked and identified. Those poles not identified properly will not be used. Furthermore, all vaulters and coaches must certify that the vaulter's weight is at or below the manufacturer's pole rating. Meet management is authorized to weigh vaulters if deemed necessary to determine that their weight is at or below the manufacturer's pole rating.

Certification

I certify that the pole(s) that I am using is (are) properly marked and identified and that my body weight is at or below the manufacturer's pole rating. I further understand that any pole that is not properly marked and identified that it will not be used. I also understand that if my body weight is above the manufacturer's pole rating, I will not be allowed to continue until such time I am using a properly rated pole.

2015 NFHS Rule 4 -

ART. 1 . . . The competitor's uniform shall be issued by the school, worn as intended by the manufacturer...

One of the issues is female athletes roll the waistband down, this is a violation of the rule as they are not wearing the uniform as the manufacturer intended.

Many athletes from the same team are wearing uniform shorts of various brands and styles, mainly compression style shorts worn as uniform bottom, not as an undergarment. This brings into question whether the uniforms being worn are issued by the school.

4.1.b.8

Any visible garment(s) worn underneath the uniform top must be unadorned and of a single, solid color. As per NFHS rules, a single, visible manufacturer's logo and/or single school name or insignia no more than 2¼ inches are permitted on the undergarment. Visible items worn under both the top and the bottom do not have to be the same color.

Above are pictures of the front and back of the same Under Armour shirt. You can see there is one logo on the front and two logos on the back, if these logos are visible when wearing the uniform top, it is a violation.

4.2.c.5

A single manufacturer's logo/trademark/reference, no more than 2¼ square inches with no dimension more than 2¼ inches, is permitted on the bottom or one-piece uniform.

This is a picture of compression style shorts that are being worn as uniform shorts, not undergarments. There is a manufacturer's logo on

the lower leg, and the writing on the waistband, which is also a logo for the manufacturer. This is a violation as there is more than one logo, and the one on the waistband is larger than the 2 ¼ inches that is allowed. These shorts may be worn as undergarments so long as the waistband logo is not visible.
