**Note:** Conditions (weather, air quality, etc.) may be trying at times, particularly later in the season. We will be practicing outdoors any time that conditions allow. In the case of inclement weather, we will practice indoors at the high school, or other locations yet to be determined. That decision will be made on a daily basis. The weather conditions when practice begins could be entirely different than what it was like when you left for school, so be certain to have appropriate shoes and clothing for either possibility with you each day.
