## COUGAR TRACK & FIELD

## Track and Field Uniforms! New Program, New

Facilities, New Look! We are phasing out the old uniforms to usher in the new era. In order to do so, we need your help. We will have a basic uniform, a varsity uniform and a post season uniform. Not just tops and bottoms, but we will have warm-up shirts, warm-up jackets and pants, pull-over hoodies, and gear backpacks. Please visit the team store to select and purchase YOUR new uniform and equipment. Purchased items are yours to keep and use each year. We will have old uniforms for issue, but you won't want to miss out on representing the NEW LOOK. Visit <a href="www.bsnteamsports.com">www.bsnteamsports.com</a> and enter the Access Code <a href="www.bsnteamsports.com">ePWnDDtNG4</a> and get your new uniform now. The store is open for the first order from 2/19 to 2/26. The store will be open again after those dates, but orders might be delayed. Don't wait.
