

## CONSENT FOR SPORTS MASSAGE

Your son/daughter may receive a sports massage during some of the multi-school sport events by the massage students from Spectrum Center School of Massage, Lake Stevens, Washington. The sports massages are at no cost and are supervised at all times by a Spectrum School faculty member, as well as a school official. The student athletes will remain fully clothed and in full view of the other students participating in this program.

In addition, the documentation of your son's/daughter's sports massage by the Spectrum massage students will be reviewed by a Spectrum faculty supervisor as part of the educational requirements for a licensed massage practitioner in the State of Washington. All information received is confidential and may not be disclosed to anyone other than the massage student and his/her faculty supervisor.

If you wish for your son/daughter to participate, please complete the Health Intake Questionnaire and sign the consent and release form below.

Thank you.
