Present~Respectful~Ownership~United~Determined

Welcome to our Decatur High School Athletic program! Athletics and activities provide participants additional opportunity to learn, develop skills, grow as an individual and as a member of a team. Our Gator Athletic program will strive toward a united culture that fosters a high work ethic, accountability, outstanding sportsmanship, teamwork and respect for all.

During any season, there will be a wide range of emotional highs and lows, challenges that require perseverance, problem solving situations, wonderful celebrations and many lifetime memories. We consider ourselves partners with each role clearly defined:

Participants Compete, Parents Support, Coaches Coach, Officials Officiate

Decatur is a member of the North Puget Sound League (NPSL) with fifteen other schools resulting in extremely competitive contests. As Golden Gator's we will support the NPSL sportsmanship code and commit to:

Show pride, class, spirit and respect. Display modesty in victory and graciousness in defeat.

To assist participants and their families in planning for practice and contests during our season, coaches might provide additional documents. However, please always refer to our NPSL website <http://www.npslathletics.org/> as this is Decatur Athletics master contest schedule. Our NPSL site provides the opportunity for people to sign up and receive emails when a contest changes. Viewing the NPSL site on a regular basis is encouraged.

We enter the 2017-2018 school year with new energy, enthusiasm, Golden Gator Pride and great optimism! Thank you in advance for supporting our growth by becoming involved with our programs, attending our contests, cheering positively and loudly for all involved. We stand PROUD as a Gator Athletic program. As the saying goes at Decatur...

“It is and always is a great day to be a Gator!”

We are excited to be coaching and working with such a great group of participants. This will be Coach Michael's first year coaching the fastpitch program at Decatur High School. He brings 10 years of coaching experience to our program as well as eight years working with public school systems. Mike expects to give 100% to this team sport because you get out of it what you put in. He is super excited for this season and to be coaching at Decatur High School.

Coach Tori Head who is a Decatur grad joins us as our JV coach. Tori was a multiple sport athlete during her time at Decatur competing girls swim/dive and fastpitch. Aleah Adams will volunteer with our program as well. She is a recent Decatur grad who brings our program enthusiasm and valuable assistance.

Philosophy of our program:

A successful season for our team will be determined by our participant's ability to improve every day; by how hard we practice, by how aggressively we compete, & by how united we are as a team. We believe that it takes the talents of many individuals and hard work to produce a successful team effort. Our success as a team hinges on our ability to develop our individual talents and build a team culture that operates as one cohesive unit. We believe that for our team to be successful the good of the team must come first, before the good of the individual; however, individual contributions will be valued and recognized.

A Head Coach makes flight decisions or team level decisions from a variety of factors. The Head Coach will discuss these decisions with the participant and/or parent who may need clarification at an appropriate time. Flights could vary match to match due to numerous factors. Participants will have plenty of opportunities to challenge Flight status. The Head Coach will only discuss your child's participation if and when there are concerns.

Determining factors for team designation in our program:

- PROUD characteristics
- Academics, attitude and attendance
 - We understand some participants may have jobs or work commitments. This makes a 100% commitment to any team challenging. If a job or work commitment impacts one's ability to be a fully present participant, coaches and participants will collaborate with the intent to find a solution but ideally, our athletic program priorities are family, academics, team.
- Talent, experience, work ethic and cooperation
- Performance & dedication at team practices and contests

Decatur Athletic Program Philosophy:

Varsity is designed to compete and win while demonstrating PROUD characteristics.

JV designed develop and retain participation numbers while demonstrating PROUD characteristics.

Varsity (V): All participants have the opportunity to compete at the Varsity level if they are capable and can be competitive. Playing opportunities are dependent upon PROUD characteristics, talent, commitment, punctual, in attendance, work ethic, and attitude. In addition, our Varsity team has the highest emphasis on skill and focus, in order to compete with the best teams in the state. Coaches will communicate who is starting and/or competing before or during warm-up. Line-up changes could occur based on participation performance leading up to the contest as well as performance during the contest. There is no guarantee of playing time for any player. We will focus on outcome-based results which may lead to an inequity in the number of contests one competes in at the Varsity level. The coaching staff has the responsibility and prerogative to make these decisions.

Lettering Requirements:

A player must be a member of the Decatur High School Varsity Fastpitch team and meet the expectations and demands of being a member of this team throughout the season. This includes actively fulfilling all the team expectations and demands at each of the practices, meetings, games and any other required functions of the team.

If a player is brought up from the JV team to play on the varsity team at some point during the season, that player is eligible to earn a varsity letter when they make a significant contribution and they meet all of the varsity lettering requirements and expectations.

The lettering requirements are not based on the amount of playing time that a varsity player receives because this is not always under the control of the player and only values or rewards a small portion of what it really means to be a contributing member of the team. Earning a Varsity letter for Gator Fastpitch team represents that the player made the commitment and sacrifice, on a daily basis, which is expected from every member of the team.

- While lettering is a subjective matter and can be interpreted by the coach for merit, a solid goal of 15 innings played at the Varsity level will allow a player to earn her letter.

In addition, participants will be in attendance at practice and contests 95% of the season. All participants must consistently demonstrated PROUD characteristics throughout the entire season. In addition, participants will:

- be academically eligible at the end of the season
- have returned all issued equipment or gear
 - missing or damaged may result in a fine for that item.
 - Uniforms are to be returned before the banquet
- have paid all fines through the finance office before the season ends

If player behavior falls short of our PROUD characteristic standard, it is possible that this could impact receipt of a Varsity letter.

Junior Varsity (JV) team: The JV team will focus on the development and retention of participants with the intent to prepare them to eventually compete at the Varsity level. When participants are meeting practice/attendance expectations, an effort will be made to get everyone in during each contest, however this may not always be possible. Contest participation will depend on PROUD characteristics, commitment, punctual, in attendance, work ethic, attitude and skill. Coaches will communicate to participants who is starting before or during warm-up. Our JV games are opportunities to develop and not outcome focused.

Program Expectations:

Our focus during the 2018 season will be to build and retain participation depth in our fastpitch program. We will be strategic and intentional in scheduling JV contests. Our first priority will be to always have the necessary depth to compete at full strength in Varsity contests. We appreciate everyone's patience and support as decisions are determined with the intent to balance our Varsity competitiveness with opportunity for JV participants to have scheduled contests.

Practice Standards:

We will practice on our field from 2:30-5:00pm on non-contests days. We expect everyone to be dressed and ready to start practice at 2:15pm. Participants are not allowed to transport teammates to practice. On rainy days we could be practicing in the gym anytime between 3:00-8:30pm.

- Pick up will be in the gym or at our field.
- Attendance at practice every day is critical to our ability to improve and be competitive. If for some reason a participant cannot make practice please communicate to Head Coach at your earliest convenience through #1 - Remind 101 or #2 - email.
 - Excused absences will be: illness, Dr. or Dentist appointment, death in the family, other instances to be determined by the coaching staff.
 - If a participant is injured, the participant should still attend practices and contests. It is important to continue to learn and be present as a team member.
- FWPS scholars are required to attend at least half a day to compete in a contest or practice. School related activities and pre-arranged health appointments are considered part of the regular school day.
 - 100% attendance is required at all team practices, games and functions.
 - If you are sick and at school, you need to contact your Coach if you believe you need to go home, in lieu of practice.
 - If you stay home from school, do not attend practice. If you are too sick to be in school, you are too sick to participate.
- ASB cards must be purchased before competing in a contest.
 - Financial hardships should be communicated to the Head Coach and/or Athletic Director during a school day.
- Participants must have 10 practices before competing in a contest.

- Participants are not to be active until there is a Coach present and is overseeing everyone's safety.
- Participants are not to leave fields without asking for permission from the Head Coach first. This includes bathroom trips which require a "buddy system."
- Food or the purchase of food at any location needs to be approved by Head Coach first.
- Participants need to stay at the field or in the gym until their ride has arrived.
- When a participant is academically ineligible, recovering from an illness or injured, we expect them to be fully present to the best of their ability, an "all in" team member, supporting and cheering on teammates during practices/contests and in a position to continue learning so they are fully prepared and ready to contribute upon return.

Come to practice ready to compete with intensity every day. #bethechange, #wecompete

Behavior Standards:

- Participants are expected to conform to all state, local, community, district, school and team rules, policies, and standards. That includes showing proper respect to coaches, officials, parents, other teammates, other sports athletes, school faculty and staff, bus drivers, and/or any other adult in an authoritative position at our school or any locations that we may visit.
 - Families and participants can be a tremendous help for coaches to become aware of bullying and harassment. Please communicate with the Head Coach or AD asap.
 - We do not allow demeaning initiation ceremonies or hazing of any kind. Families and participants can be a tremendous help in this area as well. Please communicate to the Head Coach or AD asap.

Game Standards:

- Contests start at 4:00pm. A bus will transport our team to away contests.
- Participants need to be dressed in Decatur gear and ready to warm up an hour and fifteen minutes before start time.
 - Decatur fastpitch uniform is required for all games.
- Participants must meet the ten (10) practice rule before competing in a contest.
- Participants will know before the match if they are competing V and/or JV the next day. Come ready to compete every day.
- When we are competing in an away match, we want all the players in our program to attend. If they are not suiting up, they are to cheer for their teammates and be learning.
- For home or away matches, our participant presence is required from start to finish, unless there is a valid reason that is communicated as early as possible and supported by the Head Coach.
- During any season, there could be unexpected illness, family travel plans or school conflicts. Please inform Head Coach as soon as possible. How unexpected issues are processed will be on a case-by-case basis.
- Safety is a high priority. Participants must use the buddy system and let a coach know when using the restrooms or moving out of vision from our coaching staff.
- Each participant on our team will wear Decatur gear at contests (NO EXCEPTIONS).
- We will clean up our area after every practice and contest whether the garbage belongs to us or not.
- We will exhibit outstanding sportsmanship at all times. Play fair but play hard!

Post-Game Behavior Standards:

- We will shake our opponent's hands after every contest.
- All participants are responsible for making sure our bench area is completely cleaned up whether the trash belongs to Decatur or not. We will always leave our spaces better than we found them. Everyone in our program will lend a helping hand.
- After every contest we will have a brief team meeting **before** participants talk with loved ones, the fans, or the media.
- After contests if an participant is approached by a reporter before we meet, politely tell them that you will be glad to talk with them in a couple of minutes after our team meeting.
- When talking to the media always be a humble winner or a gracious loser. Always give your teammates and coaches credit for their play and allowing the team to be successful. Give your opponents credit where credit is due, and never ever criticize your teammates, coaches, opponents or officials in public.

Email – shmobebean@comcast.net,

When there is a concern, Coach Mike prefers to be contacted by email: – shmobebean@comcast.net,
If you need to speak with Coach Mike face to face, schedule this time so it is not before or during a practice/contest. After a practice or contest is an appropriate time for conversations.

Problem Solving Steps:

We encourage all players to speak directly with the Head Coach if there is a misunderstanding, clarification is needed or an issue arises. As parents, please encourage your scholars to do speak directly with coaches. If the issue is not resolved with the Head Coach the problem solving chain will be:

- Athlete speaks directly with Head Coach in person when emotions are controlled
- Athlete and Parent speak directly with Head Coach
- Athlete, Parent, Head Coach and AD speak in person
- Athlete, Parent, Head Coach, AD and Vice Principal speak in person
- Athlete, Parent, Head Coach, AD, Vice Principal and Principal speak in person
- Athlete, Parent, Head Coach, AD, Vice Principal, Principal and District Athletic Director speak in person

Gator Coaches have high expectations and are developing competitive programs which naturally can lead to intense emotion responses at times. As we work through emotional situations, Gator Head Coaches are committed to collaborative, healthy problem solving interaction believing that our communication order provides a healthy framework for working through conflicts. If there is a situation of high priority, danger to scholars and/or others of severe nature, these steps may be altered for the welfare of all involved.

Team Travel and Transportation Policy:

Our bus transportation standard is for everyone to ride to and from contests. Bus transportation is a great opportunity and time for building team culture and bonding. If parent/guardians opt to transport in their private vehicle, that process will be:

- Participants may drive themselves or related family to practice.
- Parent/guardians may drive their own children to practice without a FWPS form.
- Form 126A is required if a participant will be transported by an adult other than their own parent/guardian. This form is available outside the Athletic Office.
- FWPS school district Form 121-A is required for parents to fill out and return to Decatur’s Athletic office in order to transport other participants in a private vehicle to practices.
 - Form 121-A must be returned to the Athletic office at Decatur High School before transport of any participant with the exception of family members.
 - Form 121-A requires proof of insurance and a copy of a current Drivers License which must also be provided to the Athletic office.

- Form 121-A may be picked outside the Athletic office at Decatur.
- Families can work together with carpools.
 - Coaches are not involved in organizing private car or carpool transportation.
- Parent/guardian will sign out with the Head Coach on a document clarifying who will be privately transporting a participant after the contest has ended.
 - A FWPS district form is not required to transport your own participant.
- FWPS Form 121-A is required for a parent to drive someone else's child. This form is available outside the athletic office.
 - Form 121-A along with proof of insurance and a copy of a current driver's license must be returned to Decatur HS athletic office before any private transport. Please do not give these forms to any coach.
- We will travel with PROUD characteristics at all times.
- When we step off the bus, we will be ready to compete by our behavior and appearance.
- Participant safety and whereabouts is a high priority. Please help us with communicating clearly and in writing about transportation of a participant home from contests.
 - Players are not to drive teammates to or from any practice or contest.

Injuries:

Decatur Athletics has an ATI Athletic Trainer (AT) who provides care for our participants. Hours are posted on the entry door to the AT office which is located by the locker room entrances. FWPS has a detailed contract with ATI. We encourage all participants to utilize this resource for physical care.

- Injury defined is when a participant can no longer practice or compete in a contest. Our AT or anyone at ATI can reinstate a participant after an in person review as long as outside Dr. has not been part of the evaluation process.
 - It is not inside a coaches wheelhouse of knowledge to determine a participants physical status so they are not able to reinstate an injured participant. AT's or ATI has this responsibility.
- If an injured participant sees a physician he/she must then provide a written physician's note clearing the athlete for the referred injury before return to play to the AD or AT.
 - The AD or AT will communicate in writing that a participant is released for practice or competition.
- If a participant is removed from a practice or contest due to a suspected concussion, he/she must have approval from a medical professional before they return to play.
 - The participant must also be cleared through our AT who has specific return to play protocol for concussion.
- If an injury bridges seasons, a written physician clearance is required to participate in the second season.
 - ALL written notes are to be turned into the AD or the AT – not a coach. AD or the AT will communicate in writing to Head Coach that the participant is released for practice and/or contests.
