Present~Respectful~Ownership~United~Determined

Welcome to our Decatur High School Athletic program! Athletics and activities provide participants additional opportunity to learn, develop skills, grow as an individual and as members of a team. Our Gator Athletic program will strive toward a united culture that fosters a high work ethic, accountability, outstanding sportsmanship, teamwork and respect for all.

During any season, there will be a wide range of emotional highs and lows, challenges that require perseverance, problem solving situations, wonderful celebrations and many lifetime memories. We consider ourselves partners with each role clearly defined:

Participants Compete, Parents Support, Coaches Coach, Officials Officiate

Decatur is a member of the North Puget Sound League (NPSL) with fifteen other schools resulting in extremely competitive contests. As Golden Gator's we will support the NPSL sportsmanship code and commit to:

Show pride, class, spirit and respect. Display modesty in victory and graciousness in defeat.

To assist participants and their families in planning for practice and contests during our season, coaches might provide additional documents. However, please always refer to our NPSL website <http://www.npslathletics.org/> as this is Decatur Athletics master contest schedule. Our NPSL site provides the opportunity for people to sign up and receive emails when a contest changes. Viewing the NPSL site on a regular basis is encouraged.

We enter the 2017-2018 school year with new energy, enthusiasm, Golden Gator Pride and great optimism! Thank you in advance for supporting our growth by becoming involved with our programs, attending our contests, cheering positively and loudly for all involved. We stand PROUD as a Gator Athletic program. As the saying goes at Decatur...

“It is and always is a great day to be a Gator!”

NPSL Game Schedules: <http://www.npslathletics.org/>

We are excited to be coaching and working with such a great group of participants.

This is the second year with Coach Plemons as head coach. Last year Coach Plemons turned a two-win team into a twelve-win team, 2nd place Olympic Division finish, and State contender. The Decatur Gators were the only team to beat the 2017 State Champion Todd Beamer Titans. Prior to coaching the Gators, Coach Plemons coached youth soccer in the Federal Way area for 12 years, capturing multiple division titles and finishing as one of the top teams in the state on several occasions.

Coach Vitalie has been coaching at Decatur for three seasons. He also coaches many local club teams. Coach Karabaich is the Head Girls Soccer Coach at Decatur. Both coaches have extensive player and coaching experience which will be a huge asset for our program.

Philosophy of our program:

A successful season for our team will be determined by our participant's ability to improve every day; by how hard we practice, by how aggressively we compete, & by how united we are as a team. We believe that it takes the talents of many individuals and hard work to produce a successful team effort. Our success as a team hinges on our ability to develop our individual talents and build a team culture that operates as one cohesive unit. We believe that for our team to be successful the good of the team must come first, before the good of the individual; however, individual contributions will be valued and recognized.

We will have a successful season if we work together as a team, learn from our mistakes, play smart, and compete in every game. In our case, the whole is greater than the sum of its parts—meaning that we are not just a bunch of individuals running around the field. Together we make a cohesive unit. We win together as a team. We never lose as a team. Rather, we learn and grow as a team. We are one team. We are one family. We are Decatur Soccer.

A Head Coach makes playing time decisions or team level decisions from a variety of factors. Coach Plemons makes playing time decisions and team level decisions based on a variety of factors, but mainly on the three A's: ability, attendance, and attitude. He will only discuss playing time with players and parents of players about that specific player's playing time, but will not discuss playing time within 24 hours after a match. The Head Coach will not discuss playing time of a participant's teammates at any time.

Determining factors for team designation in our program:

- PROUD characteristics
- Academics, attitude and attendance
 - We understand some participants may have jobs or work commitments. This makes a 100% commitment to any team challenging. If a job or work commitment impacts one's ability to be a fully present participant, coaches and participants will collaborate with the intent to find a solution but ideally, our athletic program priorities are family, academics, team.
- Talent, experience, work ethic and cooperation
- Performance & dedication at team practices and contests

Decatur Athletic Program Philosophy:

Varsity is designed to compete and win while demonstrating PROUD characteristics.

JV is designed develop and retain participation numbers while demonstrating PROUD characteristics.

Varsity (V): All participants have the opportunity to compete at the Varsity level if they are capable and can be competitive. Playing time decisions are dependent upon PROUD characteristics, talent, commitment, punctual, in attendance, work ethic, and attitude. In addition, our Varsity team has the highest emphasis on skill and speed of play, in order to compete with the best teams in the state. Coaches will communicate who is starting and/or playing before or during warm-up. Line-up changes could occur based on participation performance leading up to the contest as well as performance during the contest. There is no guarantee of playing time for any player. We will focus on outcome-based results which may lead to an inequity in the number of matches one competes in at the Varsity level. The coaching staff has the responsibility and prerogative to make these decisions.

Lettering Requirements:

Participants will be listed on the Varsity roster for at least eight (8) matches

Participants will be in attendance at practice and contests 95% of the season

All participants must consistently demonstrated PROUD characteristics throughout the entire season. In addition, participants will:

- be academically eligible at the end of the season
- have returned all issued equipment or gear
 - missing or damaged may result in a fine for that item.
 - Uniforms are to be returned before the banquet
- have paid all fines through the finance office before the season ends

Head Coach has the prerogative to letter anyone who exceeds PROUD characteristics and is ready or contributes to our Varsity competitions.

If a player has behavior or a situation that falls short of our PROUD characteristic standard, it is possible that this could impact their receipt of a Varsity letter.

Junior Varsity (JV) team: The JV team will focus on the development and retention of participants with the intent to prepare them to eventually compete at the Varsity level. When participants are meeting practice/attendance expectations, an effort will be made to get everyone in during each contest, however this may not always be possible. Contest participation will depend on PROUD characteristics, commitment, punctual, in attendance, work ethic, attitude and skill. Coaches will communicate to participants who is starting before or during warm-up. Our JV games are opportunities to develop and not outcome focused.

Program Expectations:

Our focus during the 2018 season is to compete at the highest level and to build quality and depth in our soccer program. Our first priority is to always have the necessary depth to compete at full strength in Varsity contests. We appreciate everyone's patience and support as decisions are determined with the intent to balance our Varsity competitiveness with opportunity for JV participants to have scheduled contests. We will be strategic and intentional in scheduling JV contests.

Practice Standards:

We will practice at Decatur on the turf field anytime between 2:00pm until as late as 6 pm as our field is also used by track and field.

- Participants are not allowed to transport teammates to practice.
 - Participants may drive themselves or related family to practice.
- Parent/guardians may drive their own children to practice without a FWPS form.
- Families can work together with carpools.
 - Coaches are not involved in organizing private car or carpool transportation.
- Attendance is extremely important when you are part of a team and a reasonable expectation.
- Attendance at practice every day is critical to our ability to improve, learn and grow as a competitive team. If for some reason a participant cannot make practice please communicate to Head Coach at your earliest convenience through #1 - Remind 101 or #2 – email.
 - Excused absences will be: illness, Dr. or Dentist appointment, death in the family, other instances to be determined by the coaching staff.
 - If a participant is injured, the participant should still attend practices and contests. It is important to continue to learn and be present as a team member.
- FWPS scholars are required to attend at least half a day of school to compete in a contest or practice. School related activities and pre-arranged health appointments are considered part of the regular school day.
 - 100% attendance is required at all team practices, games and functions.
 - If you are sick and at school, but feel you need to go home in lieu of practice, you need to see your Coach and communicate that with him first.

- If you stay home from school, do not attend practice. If you are too sick to be in school, you are too sick to participate.
- ASB cards must be purchased before competing in a contest.
 - Financial hardships should be communicated to the Head Coach and/or Athletic Director during a school day.
- Per WIAA rules, participants must have 10 practices before competing in a contest.
- Help with all the gear, any field set up required etc. “See a need and fill it”
- Cell phones, gum, jewelry of any kind are not allowed on the turf field during practices or contests.
- Breaks will be taken as a team. We strive to be fully present and engaged as a unit during practice.
- Participants are not to be active until there is a Coach present and is overseeing everyone’s safety.
- Per NHFS rules and FWPS standards, shin guards are part of required equipment to be worn during all practices and contests. Safety first!
- When a participant is academically ineligible, recovering from an illness or injured, we expect them to be fully present to the best of their ability, an “all in” team member, supporting and cheering on teammates during practices/contests and in a position to continue learning so they are fully prepared and ready to contribute upon return.
- Come to practice ready to compete with intensity every day. #bethechange, #wecompete

Behavior Standards:

- Participants are expected to conform to all state, local, community, district, school and team rules, policies, and standards. That includes showing proper respect to coaches, officials, parents, other teammates, other sports athletes, school faculty and staff, bus drivers, and/or any other adult in an authoritative position at our school or any locations that we may visit.
 - Families and participants can be a tremendous help for coaches to become aware of bullying and harassment. Please communicate with the Head Coach or AD if you become aware of bullying or harassment.
 - We do not allow demeaning initiation ceremonies or hazing of any kind. Families and participants can be a tremendous help in this area as well. Please communicate to the Head Coach or AD if you become aware of demeaning initiation ceremonies or hazing of any kind.

Post-Match Behavior Standards:

- All participants are responsible for making sure our bench area is completely cleaned up whether the trash belongs to Decatur or not. We will always leave our spaces better than we found them. Everyone in our program will lend a helping hand.
- After every contest we will have a brief team meeting **before** participants talk with loved ones, the fans, or the media.
- If a player is approached by a reporter before or after a game, politely tell them that you will be glad to talk with them after the game after the team meeting.
- When talking to the media always be a humble winner or a gracious regardless of the outcome of the game. Always give your teammates and coaches credit for their play and allowing the team to be successful. Give your opponents credit where credit is due, and never ever criticize your teammates, coaches, opponents or the umpires in public.

Problem Solving Steps:

We encourage all players to speak directly with the Head Coach if there is a misunderstanding, clarification is needed or an issue arises. As parents, please encourage your scholars to do speak directly with coaches. If the issue is not resolved with the Head Coach the problem solving chain will be:

- Athlete speaks directly with Head Coach in person when emotions are controlled
- Athlete and Parent speak directly with Head Coach
- Athlete, Parent, Head Coach and AD speak in person
- Athlete, Parent, Head Coach, AD and Vice Principal speak in person
- Athlete, Parent, Head Coach, AD, Vice Principal and Principal speak in person
- Athlete, Parent, Head Coach, AD, Vice Principal, Principal and District Athletic Director speak in person

Gator Coaches have high expectations and are developing competitive programs which naturally can lead to intense emotion responses at times. As we work through emotional situations, Gator Head Coaches are committed to collaborative, healthy problem solving interaction believing that our communication order provides a healthy framework for working through conflicts. If there is a situation of high priority, danger to scholars and/or others of severe nature, these steps may be altered for the welfare of all involved.

Team Travel and Transportation Policy:

Our bus transportation standard is for everyone to ride to and from contests on the bus. Bus transportation is a great opportunity and time for building team culture and bonding. If parent/guardians opt to transport in their private vehicle, that process will be:

- Parent/guardian will sign out with the Head Coach on a document clarifying who will be privately transporting a participant after the contest has ended.
 - A FWPS district form is not required to transport your own participant.
- FWPS Form #216 is required for a participant to be transported in someone other than their own parent/guardians vehicle. These forms can be picked up at the Athletic Office.
- FWPS Form 121-A is required for a parent to drive someone else's child. This form is available outside the athletic office.
 - Form 121-A along with proof of insurance and a copy of a current driver's license must be returned to Decatur HS athletic office before any private transport. Please do not give these forms to any coach.
 - Families can work together with carpools.
 - Coaches are not involved in organizing private car or carpool transportation.
- We will travel with PROUD characteristics at all times.
- When we step off the bus, we will be ready to compete by our behavior and appearance.
- Participant safety and whereabouts is a high priority. Please help us with communicating clearly and in writing about transportation of a participant home from contests.
 - Players are not to drive teammates to or from any practice or contest.

Injuries:

Decatur Athletics has an ATI Athletic Trainer (AT) who provides care for our participants. Hours are posted on the entry door to the AT office which is located by the locker room entrances. FWPS has a detailed contract with ATI. We encourage all participants to utilize this resource for physical care.

- Injury defined is when a participant can no longer practice or compete in a contest. Our AT or anyone at ATI can reinstate a participant after an in person review as long as Dr. has not been part of the evaluation process.
 - A coach is not able to reinstate an injured participant. AT's or ATI have this responsibility.
- If an injured participant sees a physician he/she must then provide a written physician's note clearing the athlete for the referred injury before return to play to the AD or AT.
 - The AD or AT will communicate in writing that a participant is released for practice or competition.
- If a participant is removed from a practice or contest due to a suspected concussion, he/she must have approval from a medical professional before they return to play.
 - The participant must also be cleared through our AT who has specific return to play protocol for concussion.
- If an injury bridges seasons, a written physician clearance is required to participate in the second season.
 - ALL written notes are to be turned into the AD or the AT – not a coach. The AD or the AT will communicate in writing to the Head Coach that the participant is released for practice and/or contests.
