

## **2018-2019 Concession Stand Schedule**

### Important Information:

- 1) Parent involvement is needed on the day your daughter works concessions. It is part of the money we raise for the year and it is a tough task for 2 players to do.
- 2) If your daughter is a varsity player they will have to leave after half time of the JV game.
- 3) If your daughter is a JV player please get to the concession stand following the JV game to make sure we are staffed for the transition.
- 4) If you are unable to work your game time please make an effort to switch with another player for a different game. Also let coach Pike know before game day that you need to switch games.
