

PENINSULA HIGH SCHOOL

Boys and Girls! SEAHAWK VOLLEYBALL MIDDLE SCHOOL CAMPS

5TH & 6TH GRADE CAMP: MAY 28-30

7TH & 8TH GRADE CAMP: JUNE 3-6

The requests are in, and we have listened! The Peninsula Volleyball Camp is now offering camp for both boys and girls, with two age appropriate settings!

Both camps are now co-ed and have been fashioned for the following age/grade levels:

Camp 1: Current 5th and 6th Grade Students

Camp 2: Current 7th and 8th Grade Students

Appropriately paced and designed drills will be used to teach individual and team building skills.

Current 5th and 6th grade students will have a three-day camp experience with suitable and relevant skill building drills and games.

Current 7th and 8th graders will have a four-day age/skill appropriate experience where competition and game-like practices will be the focus.

Boys volleyball is GROWING FAST in the NW, so we are excited to bring this dynamic to the courts at PHS!

All incoming 9th grade PHSVB hopefuls are highly encouraged to attend the second camp.

Volleyball experience is not required to attend either camp.
