On behalf of Kentridge High School and the Kentridge Charger Boys Swim Team we would like to invite you to participate in the 2018 Kentridge Invitational Swim Meet. The following describes in detail what the meet is about and how to register. **Please read all the instructions to ensure proper registration for your team. Thank you.**

As in previous years, our meet will be held at the **King County Aquatic Center in Federal Way**, using the same venue as the State Championship Meet. Electronic timing will be used for this meet - every swimmer's name will appear on the scoreboard along with the time and heat placing. This is a great opportunity for friends and family to come cheer on their favorite high school swimmers in a large meet with great competitors in a world-class facility. This meet is a great event for experienced and newer swimmers alike, with a 20-year plus history of exciting, fun and memorable meets.

The meet will feature approximately 35 teams from around the state of Washington. In past years, the Invitational drew over 600 athletes from 37 teams, including one from out of state. **Team entries will be honored in a first come, first reserved basis.**

Entry limit: 3 entries per event for all relays, 200 free, 200 IM, 100 fly, 100 back, 100 free, 100 breast, 10 entries in the 50 free, and 2 entries in diving and the 500 free. **Please do NOT enter any more than the stated limited. Entries will be scratched without notification (see 50 free exclusion below)!!**

Additional Swimmers: If you have a large team, you may enter additional swimmers into the 50 free only (up to 4 additional swimmers only for a total of 14) Once the meet has been seeded, we may add swimmers to round out heats but will not add any additional heats. Please put any additions you would like in the text of the email. **DO NOT INCLUDE THEM IN YOUR HY-TEK FILE!!!**

Teams that have 3 or less swimmers may enter swimmers in 2 individual events with a charge of \$25 per swimmer.

Final Hy-Tek entry files must be received by Tuesday, December 26th, 2017.

We will begin with warm-ups at 8:00 AM, start the meet at 9:00 and expect to complete around 3:00 PM. All events will be championship seeded, allowing for the most competitive heats. A top 24 scoring system (30 points for first, 27 for second, etc.) will be used to determine an overall team champion.

Every year lots of swimmers post Personal Bests and we have also seen school and state records fall. This is an awesome event for swimmers and swim teams of all sizes and complete levels.

Thank you for adding the **2018 Kentridge Invitational Swim Meet** to your 2017-18 Swim Team calendar.
