

We're continuing trying something new to save paper and time. Athletes in Grade 9-12 need to sign up for Spring sports starting in November. The participation form needs to be submitted before the athlete can turn out and the first day of practice. Along with the online forms athletes must have a physical that will remain current through the season, an ASB card, and all fines must be paid.

1. Sign into Skyward Family Access (<http://goo.gl/ePp1kZ>) with your parent login information (you will not be able to access with student login information. If you do not know your parent Skyward information please contact your athletes school for your login information.)

2. Open the TSD Student Athletic Participation Form found in the upper right hand corner under District Links. We anticipate it will take you no longer than 15 minutes to fill out the form. Make sure you push the blue submit button at the end of the form, otherwise we will not get your responses.
 3. After you've filled out the form, you will receive a confirmation email with a PDF of the information you submitted. Please check this document for accuracy. If any information needs to be updated, contact Sue Belleville, Athletic Secretary at 413-6302 or sbellevi@tahomasd.us
 4. As you fill out the form, you may be directed to print out and submit additional forms. Below is a list of those forms with links for your convenience.
