

# TEAM SUIT ORDERING GUIDE

## Your team suit is for competition.

You are responsible for ordering your own team suit, directly from the company. (Agon Swim)

Suits are priced between \$30-\$45, depending on the one you order.

Our first meet is December 6th, so try to get your suit before then.

The suits are black, with your school logo on the back and front corners (brief style), or the sides of the legs (jammer style).

They are form fitting to reduce drag during swimming competition, and to stay out of a diver's way during the execution of a dive. The brief style is the traditional 'speedo', and the jammer style is knee length.

Generally, most athletes order their competition suit one size smaller than their pants size. (e.g. - if you wear pants with a 36" waist, you will probably order a size 34 suit. Suits are sized in even numbers only.)

During practice, you can wear any regular swimsuit you like, provided it isn't see-through or in danger of falling off.

While our team suit is *not* required, it is STRONGLY encouraged. If finances are an issue, please let a coach know right away. We have resources we can access to help if needed.
